

Bath Parents Sports Club Draft Policies and Procedures

The Bath Parents Sports Club has established the following policies and procedures to ensure, to the best of their ability, a fair and unbiased method of selection for all youth athletics. Our goal is to provide a format for equal competition among the youth athletic teams.

Team Placement Policies

1. The number of teams in each age group will be determined after the registration period ends.
 - Every attempt should be made *by all adults* to ensure that players are divided equally on all teams being drafted for each respective age group.
2. The head coach and assistant coach for each team must be determined and documented by the Sport Director before each draft commences.
3. Parent Requests
 - a. BPSC staff will note all team placement requests with NO made guarantees. The coaches and Director will discuss and make their final decisions during the draft.
 - b. A parent has the right to request that his/her child NOT be placed with a certain coach with the approval of the BPSC.
4. Players that register after the draft will either be assigned to a team that does not have a full roster or will be placed on a waiting list.
 - a. The team placement will be made by the Sport director to ensure no competitive advantage is given to any team.
 - b. NO parent requests will be honored for late registrations.

Team Draft Procedure

1. The Director of each particular sport will conduct each draft. In addition, at least one BPSC officer will be required to be present during all player drafts. Their role is to help conduct the draft, provide consultation, and help resolve any potential problems/conflicts that arise.
2. Only the head coach and/or ONE assistant coach are allowed in the draft room. No other parent, coach or child will be allowed in the draft room.
3. If the head coach is not available for the draft, then the head coach can send the assistant coach to draft his/her team or have the director draft his/her team.
4. The head coach and assistant coaches' child(ren) are automatically on their team and do not need to be drafted.
5. Siblings who play in the same age division must be taken on the same team unless otherwise requested by parents. The first sibling may be selected with any choice. The remaining sibling will be selected in the next round.
6. A coach's draw will determine who drafts first and a "snake" order will be used throughout the draft. Players will be chosen *ONE AT A TIME* and recorded by the director.
7. Coaches are to draft by ages. The first rounds of the draft will be used to draft older players. Only when all older players are selected will coaches be eligible to draft younger players.

All problems or objections will be settled by the Bath Parents Sports Club.

All decisions of the BPSC will be final.
